

Kavli Institute for Neuroscience
Yale SCHOOL OF MEDICINE

Kavli Workshop

The Neuronal Cytoskeleton

Save the date

Wednesday, January 19th, 2022

1:00 pm to 5:00 pm

Hybrid format

Speakers:

Vann Bennett, MD, PhD

George B. Geller Professor of Biochemistry, Professor of Cell Biology – Duke University

Erika Holzbaur, PhD

Professor, Department of Physiology – University of Pennsylvania, Perelman School of Medicine

Joe Howard, PhD

Professor, Department of Molecular Biophysics & Biochemistry – Yale

Tony Koleske, PhD

Professor, Department of Molecular Biophysics & Biochemistry – Yale

Min Wu, PhD

Associate Professor, Department of Cell Biology – Yale

Shaul Yogev, PhD

Assistant Professor, Department of Neuroscience – Yale

*Sponsored by the Kavli Institute for Neuroscience at Yale
Organized by Joe Howard, PhD, Department of Molecular Biophysics & Biochemistry
and Shaul Yogev, PhD, Department of Neuroscience*
