

Molecular Biophysics and Biochemistry

Informal Seminar

Name: David Staněk, Ph.D.
Associate Professor, Laboratory of RNA Biology
Institute of Molecular Genetics of the Czech Academy of Sciences

Title: *“The SMN complex drives structural changes in snRNAs to enable snRNP assembly.”*

Date: Thursday, June 16, 2022

Time: 11:00 AM

Place: SHM C 103

Host: Karla Neugebauer
