

## **Urology Grand Rounds**

**6/10/2022**  
**7:30-8:30am**  
**Hybrid**

### **“Prostate Cancer Ablation: Applications and Approaches”**

The CME activity is designed to cover a broad range of clinical and research urologic topics which audience members will either have exposure to in their own urologic practices, as well as being generalizable to improve overall understanding and expansive to common and evolving urologic topics. The conference will also cover associated medical issues that many physicians and urologists are faced with as they manage complicated patients in a multidisciplinary community of physicians

**For CME credits, please text code 29130 to 203.442.9435**

#### **Faculty:**

##### **Preston Sprenkle, MD**

Associate Professor of Urology  
Yale University

#### **Program Goal:**

- 1 Identify appropriate candidates for prostate cancer ablation
- 2 Feel comfortable that ablation is a reasonable alternative to surgery/radiation for appropriately selected men with prostate cancer
- 3 Determine which type of ablation may be best for specific types of patients

**Target Audience:** Urology
