### ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### NEEDS ASSESSMENT

To expand the knowledge base of faculty, fellows and residents about the importance of information security.

### LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able:

- To understand the risks involved in protecting information as well as the importance of performing a risk assessment
- To understand the services available to mitigate risk and the metrics used to monitor the current state of information security
- To understand the application of HIPAA regulations to the new EPIC electronic health record with regard to patient privacy and utilization of information for teaching

### CME CREDIT

The Yale School of Medicine designates this educational activity for 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

### FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
