

# Yale SCHOOL OF PUBLIC HEALTH

## Center for Methods in Implementation and Prevention Science (CMIPS) & Epidemiology of Microbial Diseases (EMD)

*Seminar (via Zoom)*

<https://yale.zoom.us/j/92892169338>

Or Telephone: 203-432-9666 (2-ZOOM if on-campus) or 646 568 7788

Meeting ID: 928 9216 9338

Email [william.tootlejr@yale.edu](mailto:william.tootlejr@yale.edu) or [ericka.saracho@yale.edu](mailto:ericka.saracho@yale.edu) with questions

**Thursday, July 9, 2020**

**8:30-9:30 a.m. ET**

### **“Assessing Quality of Care in a High-Burden Setting: The Mongolia Zero TB Initiative”**

**Ariunzaya Saranjav, MBChB** Mongolia Health Initiative

**Christina Parisi, MPH** Yale School of Public Health

**Luke Davis, MD, MAS** Yale School of Public Health, EMD, CMIPS

**Ariunzaya Saranjav, MBChB**, is a medical doctor and public health specialist coordinating the Zero TB Initiative at the Mongolia Health Initiative.

**Christina Parisi, MPH**, is an epidemiologist and doctoral student whose work uses infectious disease surveillance data to design evidence-based public health interventions and policies.

**Luke Davis, MD, MAS**, is Associate Professor of Epidemiology and Medicine, whose work applies implementation science to improve the quality of TB care in low- and middle-income countries.
