General Internal Medicine
Yale School of Medicine

Date: Thursday, February 13, 2020 7:30-8:30 am

Location: The Anlyan Center 2nd Floor

Room: TAC N203 (300 Cedar Street)

Yale General Internal Medicine Faculty Seminar

Course Director/Host: Lisa Puglisi, MD 203-785-7411

There is no corporate or commercial support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Faculty, residents, students, and staff involved in education of health care professional trainees.

NEEDS ASSESSMENT

There is an important need for general internists to understand the value of community level primary care assessment for policy and health planning and the advantages of community-based participatory research methods for studying health systems.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be familiar with:

1. Interpret urine drug testing results in the context of opioid prescribing and monitoring.
2. Describe an approach to addressing unexpected findings within a harm reduction paradigm.
3. Identify the metabolism of various opioids and benzodiazepines that influence urine drug testing results.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Dr. Holt has no conflict of interest to disclose. Dr. Lisa Puglisi, Course Director, has no conflict of interest to disclose.

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
