### ***The Dobihal Lecture***

to be given by

**Sally Bailey**

**Founder, Society for the Arts in Healthcare  
North Carolina**

The lecture is entitled: **THE ARTS IN SPIRITUAL CARE: A VIEW FROM THE BRIDGE**. Ms. Sally Bailey will present a retrospective view of her pioneering work to integrate the arts in spiritual care in the health care setting and the imperative to continue, so that our sensitivity to the human and spiritual needs of our patients and staff and ourselves will not be eclipsed by the explosion and technical sophistication of the last few decades. This lecture is in honor of Reverend Edward Dobihal who established the chaplaincy program at the Yale New Haven Hospital and who with Ms. Bailey were founding members of Connecticut Hospice.
