Brigham & Women's Hospital**

“INNOVATION in MEDICINE: done or only beginning? “

Thursday, May 14, 2015 - 8:30am-Fitkin Amphitheatre

NEEDS ASSESSMENT:

As the practice of medicine continues to evolve, there is increasing emphasis on innovation at all levels of the profession. There is a need for physicians to understand the importance of innovation in practice improvement and quality of care delivery. It is necessary to understand how limited innovation holds back advances in Medicine, and how increasing efforts to innovate the field of medicine will help accelerates advances. Innovation is at the center of the field of engineering and it is necessary for physicians, medicine leaders and medical educators to understand the value of collaborations between the fields of engineering and medicine and the opportunities to innovate that can result from such collaborations.

LEARNING OBJECTIVES:

At the conclusion of this activity, participants will be able to:

****Define innovation at the interface of medicine and engineering.**

**** Understand if there is a crisis in innovation in medicine.**

****Discuss how to teach, support and foster innovation.**

DESIGNATION STATEMENT:

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 credit(s) Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

ACCREDITATION:

The Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians accredits the Yale School of Medicine.
