CONTINUING MEDICAL EDUCATION

Mechanisms linking blood coagulation to acute liver injury and repair

James Luyendyk, PhD

Professor of Pathobiology and Diagnostic Investigation
Michigan State University

Tuesday, March 9, 2021

5:00 - 6:00 pm

<https://zoom.us/j/91533349623?pwd=U3lYY0NvY1ZYV2FNaVJtZEJmMEJQQT09>

Host: Matthew McConnell MD

To record your attendance to this activity, text the Activity Code (20547) for your RSS activity to 203-442-9435. You will receive a message back that verifies your activity attendance has been recorded for CME credit.

There is no corporate support for this activity. **Accreditation:** The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. **Target Audience:** YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. **Designation Statement:** The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. **Designation Statement:** Coagulation and thrombosis are increasingly associated with progression of liver disease and associated complications, but the basic underlying mechanisms are not well understood. This course will address basic mechanisms of thrombosis and coagulation as they relate to liver disease in order to address this gap in knowledge. **Objectives:** Describe the fundamental connections between liver injury and dysregulation of blood coagulation; Identify key molecular mechanisms linking blood coagulation to liver injury and repair; Describe basic molecular processes underlying blood clot formation. **Faculty Disclosures:** J Luyendyk – None; M McConnell – None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. **This course will fulfill the licensure requirement set forth by the State of Connecticut.**
