Therapeutic Radiology Grand Rounds

Brain Tumors: Current Management and Emerging Perspectives

11/10/2022 9:00:00 AM–11/10/2022 10:00:00 AM | Medical Campus-Smilow LL505

Weekly grand rounds are necessary and essential to the educational mission of the department for trainees and faculty members to update them on the latest developments as well as a forum for discussion on the latest cases to promote group input.

Texting code for today's session: 34773

Faculty:
Zachary A. Corbin, MD, MHS, Assistant Professor; Director, Neuro-Oncology Fellowship Program, Neurology
Yale University School of Medicine

Program Objective(s):
1 Gain understanding of updated management of primary brain tumors
2 Increase knowledge about the current clinical trials in primary brain tumors
3 Review the metabolic basis of cancer and methods to measure metabolism in the brain

Target Audience: Oncology
