Urology Grand Rounds
Presented by
Yale School of Medicine, Department of Urology

“Urorectal and urosymphyseal fistula repair with interposition muscle flaps”

Alex J. Vanni, MD, FACS
Associate Professor of Urology: Tufts University School of Medicine
Director: GURS fellowship in reconstructive urologic surgery
Director: Center for Reconstructive Urologic Surgery

Date: Friday, October 09, 2020 7:30-8:30am
Location: Zoom Web Conference   https://zoom.us/j/98552642455
Course Director/Host: Daniel Kellner, MD

There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:

Vanni:
1. Diagnose rectourethral fistula
2. Pre-surgical urinary and bowel diversion options
3. Surgical reconstruction of surgical vs radiation rectourethral fistulas
4. Interposition muscle flap options for urinary fistula management

NEEDS ASSESSMENT
Vanni:
Rectourethral fistula is a rare, but extremely morbid complication occurring most commonly after prostate cancer therapy.

DISCLOSURES
Vanni: None
Daniel Kellner, MD, Course Director: None

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

TARGET AUDIENCE
The target audience are Urology attendings, residents, medical students and other healthcare providers.
