

Psychosis Support Family & Community Workshops

Family and friends know their loved ones better than anyone and are often the first to notice when something's "off." Our workshops are open to any interested member of the community who wants to learn more about experiences of psychosis and supporting those who are impacted by psychosis. Workshop subjects are posted in advance and cover a variety of topics

**Core Workshops happen every
3rd Thursday of the Month**

12-1pm via Zoom

Check regularly for new
dates on specialty topics.
