School of Medicine and Children's
Hospital of Philadelphia

Ani Annamalai, MD

Yale Adult Refugee Clinic,
Yale School of Medicine

Kristin Bengtson Mendoza, MEd

New Haven Public Schools

Learning Objectives:

- Describe the current state of refugee resettlement locally and nationally
- Review the challenges faced by recent Afghan arrivals, with a focus on the education and mental health systems
- Describe the creation of a new clinic to meet the health needs of refugees/arrivals in Connecticut
- Describe national-level capacity building innovations for meeting the needs of new arrivals

All participants must pre-register to receive the Zoom link, however attendance is free of charge.
