

SEPTEMBER SEMINAR NOTICE

Presented by

Yale School of Medicine's, Department of Therapeutic Radiology

“Translating Oncometabolite-Induced BRCAness into the Clinic: Strategies, Potential Pitfalls, and New Directions”

Ranjit Bindra, MD, PhD
Professor of Therapeutic Radiology
Department of Therapeutic Radiology
Yale School of Medicine

Date: Thursday, September 17, 2020, 9:00AM

Location: Zoom Meeting

Course Director/Host: Henry S. Park, MD, MPH

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending Physicians; Housestaff/Fellows; Medical Students; Nurses; PA's; Other

NEEDS ASSESSMENT

Understand how to use molecular data in RT-based therapies in glioma. Understand the pitfalls/prerequisites for translating basic science into the clinic. Understand how combinations with RT and other therapies can enhance efficacy. Learn about updates on molecularly driven clinical trials, and impact of BBB.

LEARNING OBJECTIVES

- At the conclusion of this activity, participants will be able to
1. Learn about emerging targets for RT+systemic therapy combinations in glioma
 2. Review recent examples of translating bench research into trials from our group

3. Learn about the emerging approaches to assess BBB penetration and their integration into clinical trials

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Ranjit Bindra, MD, PhD -Cybrexa Therapeutics, stock options/consulting fees, Co-founder and consultant; Henry S. Park, MD, MPH – RadOncQuestions, LLC, Honorarium, Editor

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
