

2022 Residency Open House

Please join us for open houses to learn more about Yale's Department of Internal Medicine Traditional Residency Program, including our commitment to diversity and opportunities for advocacy. Meet program leadership, chief residents, and current residents, and get all your questions answered.

Diversity and Advocacy Nights

August 30 at 7 p.m. EST

September 1 at 8 p.m. EST

m.yale.edu/openhouse
