"Exome sequencing identifies recurrent
somatic *RAC1* mutations in melanoma"

Nature Genetics 44 (9):1006-1014, 2012

presented by

Ahmed Al-Omari, M.D.

Monday, January 28, 2013 @ 1:00pm

Room EP2-646

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

NEEDS ASSESSMENT

Continue departmental forum to critically review Pathology Literature

LEARNING OBJECTIVES:

1. Participants will learn the current practices of pathology from recent peer review journals.
2. Participants will learn how to critically analyze study data from journal articles.
3. Participants will learn to apply scientific evidence to daily practice.

This program is not supported by any grants

This course fulfills licensure requirements set forth by the State of Connecticut

CME CREDIT

This educational activity is designated for a maximum of 1 Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
