

Where Knowledge is Created and Shared

Yale Pathology

Pathology Grand Rounds Thursday, December 9th 12:30-1:30pm

Hosted by: Andrea Barbieri, MD

Andrea Teresa Deyrup, MD, PhD
Professor of Pathology, Duke University

Joseph Graves Jr, PhD
Professor of Biological Sciences, Department of
Biology, North Carolina A&T State University

Race in Medicine: Data or Distraction?

Needs: This talk will focus on how race is portrayed in medical school curricula, discuss the conflation of biological and socially defined race, and provide strategies for mindful approach to discussing health disparities.

Objectives: Discuss the impact of systemic racism in medical school curricula; compare and contrast biological race and socially defined race; evaluate disparities in the pathophysiology of disease; describe an approach to addressing health disparities in medical education.
