YaleNewHaven**Health**Smilow Cancer Hospital

Grand Rounds

September 24, 2019 | 12:00 p.m. | Smilow Auditorium, 55 Park Street

Joseph R. Bove, MD, Memorial Lectureship

*co-hosted by the Department of Laboratory Medicine

Peter Marks, MD, PhD
Director, Center for Biologics Evaluation and
Research, Food and Drug Administration

Genetically-modified Cell Therapies: The next wave in immuno-oncology

Needs: Genetically modified cell therapies are emerging as powerful anti-cancer therapies, and providers need to understand their correct applications as well as be aware of their potential side effects and the management thereof.

Objectives: Provide an overview of genetically modified cell therapies and describe the potential benefits and risks of use of these agents. Discuss the potential future evolution of genetically-modified cell therapies.

There is No Corporate Support for These Activities. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Target Audience: YCC members, Smilow faculty, YSM, Nursing, Public Health Students Faculty Disclosures: Dr. Fuchs, none. Marks, none. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
