*There is no corporate support for this activity*

This course will fulfill the licensure requirement set forth by the State of Connecticut

**Thursday, March 24, 2016 - 4:00PM-5:15PM**

**Brady Auditorium, B-131**

**LEARNING OBJECTIVES:**

At the conclusion of this talk, the attendees will be able to:

1. Review the epidemiology of stillbirth and other pregnancy loss
2. Discuss the role of and common challenges experienced by the Obstetric Provider in bereavement care.
3. Enhance training in bereavement care for families with perinatal loss.

**NEEDS ASSESSMENT:**

Recent studies have suggested that more training is needed for Obstetric providers in the arena of care provision for pregnancy loss. This talk will review up to date findings regarding patients and providers' experience of care. The talk will also provide tools for Obstetric providers to successfully provide care to bereaved parents who are navigating pregnancy loss.
