

Grand Rounds

March 24, 2020 | 12:00 p.m. | Smilow Auditorium, 55 Park Street

John Murren, MD Memorial Lecture

Heather Wakelee, MD

Professor of Medicine, Division of Oncology, Stanford University; President, IASLC

15 Years of Advances in EGFR Mutant Lung Cancer

Needs: *There have been tremendous advances in the best treatment of EGFR mutant NSCLC. Review of this information is critical for medical oncologists and others to be up to date.*

Objectives: *Reinforce data on selection of osimertinib or other EGFR TKIs and selection of optimal regimens for newly diagnosed patients and review recent data on combination of VEGF and EGFR agents and EGFR and chemotherapy for EGFR mutant NSCLC.*

There is No Corporate Support for These Activities. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Target Audience: YCC members, Smilow faculty, YSM, Nursing, Public Health Students Faculty Disclosures: Dr. Fuchs, none. Wakelee, available upon request. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
