APRIL SEMINAR NOTICE

Presented by

Yale School of Medicine’s, Department of Therapeutic Radiology

“Tobacco Treatment in Cancer Patients”

Steven Bernstein, MD
Professor of Emergency Medicine and Public Health (Health Policy); Vice Chair, Academic Affairs

Date: Thursday, April 11, 2019, 9:00AM
Location: Smilow LL505

Course Director/Host: Henry S. Park, MD, MPH

There is no corporate support for this activity
This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending Physicians; Housestaff/Fellows; Medical Students; Nurses; PA’s; Other

NEEDS ASSESSMENT
Tobacco dependence is often undertreated in patients with cancer. This talk will discuss a new project, under the auspices of the NIH and NCI, to improve the scope and quality of tobacco dependence treatment in individuals with cancer.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to
1. To understand the clinical impact of continued smoking on the treatment of cancer.
2. To understand a recent NCI initiative to improve the treatment of tobacco dependence in NCI-designated cancer centers.
3. To review evidence-based treatments for tobacco dependence, and how they can be integrated into cancer care.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Steven Bernstein, MD –None; Henry S. Park, MD, MPH – None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
