Professor of Pediatrics
(Cardiology)
Yale School of Medicine

**“Small but Mighty: Cilia in
Pediatric Disease”**

Wednesday, February 10, 2021, 12:00 p.m.
Conducted via Zoom

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Medical Students
Residents and Fellows
Faculty Physicians
Allied Health Providers

NEEDS ASSESSMENT

I will present the roles of cilia in diseases including congenital heart disease, pulmonary disease, renal disease and obesity. Clinical findings will be linked to state-of-the-art research on cilia structure, function and genetics.

LEARNING OBJECTIVES

At the end of this activity, participants will be able to:

1. Appreciate the scope of ciliopathies in pediatric disease
2. Learn how cilia structure and function impacts disease manifestations
3. Learn diagnostic approaches to ciliopathies in pediatrics

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Martina Brueckner, MD: None
Pnina Weiss, MD, Grand Rounds Director: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
