When the ParTy Comes to Town: Gay/Bisexual Men's Experiences of Meth and HIV, Locally and Beyond

• Monday, October 4th 3:30-5pm

Zoom Registration: <https://bit.ly/3EvsnyE>

Dr. Perry N. Halkitis, Dean of the Rutgers School of Public Health, and expert on sexual minority men's health, is our guest to lead this discussion on methamphetamine in the lives of gay, bisexual, and other men who have sex with men. Topics will include the interplay of meth use, mental health, HIV and other STIs, as well as harm reduction and other treatment options. We'll also hear first-person perspectives and discuss how we can competently and holistically address the needs of those who are using or in recovery.
