## Dr. Ira Helfand

### **Co-President of the International Physicians for the Prevention of Nuclear War**

Dr. Helfand is a member of the International Steering Group of the International Campaign to Abolish Nuclear Weapons, ICAN, the recipient of the 2017 Nobel Peace Prize, and co-President of the International Physicians for the Prevention of Nuclear War, the recipient of the 1985 Nobel Peace Prize.

In May of 2016, Dr. Helfand led the session on the humanitarian consequences of nuclear war at the United Nations Open Ended Working Group meeting in Geneva that led to the successful negotiation of the Treaty on the Prohibition of Nuclear Weapons.

Dr. Helfand was a former chairman of the Department of Emergency Medicine and President of the Medical Staff at Cooley Dickinson Hospital, and currently practices as an internist and urgent care physician at Family Care Medical Center in Springfield, Massachusetts.
