

# Art Therapy & Palliative Care

## Sticking Together - Young Moms' Collage Group

Every Tuesday in May  
5/7, 5/14, 5/21, 5/28

4:30 pm - 6:00 pm  
Smilow NP8 Conference Room

\*Limited space - registration  
required

### No art experience required!

Are you a mother with young children?

Are you dealing with a cancer diagnosis?

Would you benefit from some "me" time?

Join us for a weekly collage making group.

Art Therapy is offered as part of the Palliative Care Service to enhance quality of life during the challenging period of coping with serious illness. The process of creative expression is utilized to help with emotional and physical well-being.

Kindly register directly with:
