Inaugural Scientific and Clinical Symposium on Pneumonia
Friday, December 9, 2016

Registration Information

Details

ACCREDITATION STATEMENT
The Yale School of Medicine designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY
It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating or speaking in this program are required to disclose any relevant financial relationships. They (or spouse or partner) have a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

DIRECTIONS
Yale West Campus, 100 West Campus Drive
Building 800 - Conference Center, Orange, CT

Comming from the South. If you are coming from the South (New York), take I-95 South. Get off at Exit 41 (Marsh Hill Rd). At the end of the ramp, go straight through the light. This is Frontage Road and the entrance ramp to I-95 Northbound. Stay in the right lane and bear right at the fork. Follow signs to Conference Center.

Comming from the North. If you are coming from the North (Hartford/New Haven/Marshfield), take I-95 South. Get off at Exit 40 (Marsh Hill Rd). At the light at the end of the exit ramp take a left onto Marsh Hill Rd. At the next traffic light, take a left onto the Frontage Road; at the fourth stoplight (Northbound entrance ramp). Follow this to the fork, stay in the right lane. Follow signs to Conference Center.

Comming from the Merritt Parkway. Take the Merritt Parkway North to Exit 4 (West Campus). Go straight through the light (Frontage Road) at the fourth stoplight (Northbound entrance ramp). Follow this to the fork, stay in the right lane. Follow signs to Conference Center.

If your GPS has not been updated the current physical address may not pull up properly. If so, please enter 141 Frontage Road, Orange, CT to arrive at destination.

PARKING INFORMATION
Complimentary parking is available on-site.
SYMPOSIUM SCHEDULE

12:00 PM Scientific

The Long Microbiome: Insights into Precision and Personalized Approach to Pneumonia

Leopoldo Segal MD

1:30 PM Clinical

Nuts and Bolts on Antimicrobial Treatment for CAP/NIVH: Navigating the Complexities of Outpatient versus Inpatient Settings

Jeffrey T. Topal MD

1:45 PM Clinical

Antimicrobial Resistance and Stewardship

Louis-Marie Denny MD, FACP, MS, ABS

2:30 PM Prevention of Pneumonia

Mohini Jakhu MD

2:55 PM Clinical

Pneumonia Vaccines in 2016

Albert C. Shaw, MD, PhD

3:35 PM Panel Discussion

4:30 PM Platform Presentations of Selected (Scientific and Clinical) Abstracts: Four Abstracts - To be Announced

4:45 PM Closing Remarks and Adjournment

Mark L. Metersky MD, PhD

4:50 PM Reception

Pneumonia has been named the forgotten killer. The WHO estimates that lower respiratory tract infection is the most common infectious cause of death in the world with almost 31 million deaths yearly. In addition, community-acquired pneumonia (CAP) is responsible for an estimated 10 million deaths annually worldwide. Within the United States alone, pneumococcus is responsible for more than half a million CAP cases each year, with a fatality rate of 5%-7%. Despite advances in the understanding of the pathogenesis of community-acquired pneumonia (CAP) and ventilator-associated pneumonia (VAP), continue to be frequent complications of hospital care. Furthermore, the increasing incidence of antibiotic resistance, especially in fungal pneumonia, has resulted in the need for more effective therapeutic and prevention approaches. This symposium will provide the audience with relevant information on the currently accepted guidelines as well as new evidence available tools for the diagnosis and treatment of pneumonia. The symposium will also have whiteboard presentations in the afternoons.

Learning Objectives

- Review current state of the art concepts in the pathogenesis of pneumonia
- Discuss current understanding and guidelines for community acquired pneumonia
- Discuss new guidelines for hospital acquired pneumonia
- Discuss new guidelines for ventilator-associated pneumonia
- Determine the utility of new diagnostic tools for determining etiology of pneumonia
- Discuss how procalcitonin and other biomarkers can be used in pneumonia diagnosis
- Review new therapies for respiratory infections
- Highlight new guidelines for antibiotics resistance and stewardship
- Discuss recent influenza and pneumococcal vaccines

**All details on formatting and submission instructions can be found online at www.cme.yale.edu or scan the QR code to immediately access the page.
YALE SCHOOL OF MEDICINE SYMPOSIUM
The symposium will be held at the Athy Lecture Center for Medical Research and Education, at 7th Floor Auditorium, 300 Cedar Street, New Haven, CT.

4:00 PM Reception
Pneumonia has been named the forgotten killer. The WHO estimates that lower respiratory tract infection is the most common cause of death in the world with almost 17 million deaths yearly. In addition, community-acquired pneumonia remains the leading cause of death due to an infection. The role of procalcitonin (PCT) in pneumonia is still not understood. The goal of the symposium will be to provide the audience with relevant information on the currently accepted guidelines as well as the use of newly available tools for the diagnosis and treatment of pneumonia. The symposium will also have research abstract presentations in the afternoon.

1.25 PM Scientific
The Long Microbiome: Insights into Precision and Personalized Approach to Pneumonia
Lorello Segal MD

LEARNING OBJECTIVES
This course will enable participants to:
- Discuss current state of the art concepts in the pathogenesis of pneumonia
- Discuss current understanding and guidelines for community acquired pneumonia
- Discuss new guidelines for hospital acquired pneumonia
- Discuss new guidelines for ventilator-associated pneumonia
- Discuss the utility of new diagnostic tools for determining etiology of the infection
- Discuss how procalcitonin and other biomarkers can be used in pneumonia management
- Review new therapies for respiratory infections
- Highlight new guidelines for antibiotics resistance and stewardship
- Discuss recent influenza and pneumococcal vaccines

DEAR Reader,
Please note, full instructions and the sample abstract format are both provided in the Presentation and Orientation section. The symposium abstract submission must be typed in the abstract line. You will receive an email reply as receipt of your abstract submission. After your abstract has been reviewed, you will receive additional information by email on how to proceed with preparing for the conference.

Manuscripts, abstract, and data submission due: November 30, 2016.

AWARD:曼士镇 each of the 4 abstracts selected for oral presentations Contact Information for abstract submissions: Susan.Astiole@yale.edu – 203-737-5027 Please also feel free to call Susan with any questions.

**Full details on formatting and submission instructions can be found online at www.cme.yale.edu or scan the QR code to immediately access the page.

Please also feel free to call Susan with any questions.

**Full details on formatting and submission instructions can be found online at www.cme.yale.edu or scan the QR code to immediately access the page.

This symposium will provide the audience with relevant information on the currently accepted guidelines as well as the use of newly available tools for the diagnosis and treatment of pneumonia. The symposium will also have research abstract presentations in the form of oral presentations and poster sessions. Abstracts and posters submitted at other meetings are eligible provided they have not been previously published.

**Learning Objectives**
- Review current state of the art concepts in the pathogenesis of pneumonia
- Discuss current understanding and guidelines for community acquired pneumonia
- Discuss new guidelines for hospital acquired pneumonia
- Discuss new guidelines for ventilator-associated pneumonia
- Discuss the utility of new diagnostic tools for determining etiology of pneumonia
- Discuss how prokaryotes and other biomarkers can be used in pneumonia diagnosis
- Review new therapies for respiratory infections
- Highlight new guidelines for antibiotics resistance and stewardship
- Discuss recent influenza and pneumococcal vaccines

**Scientific Learning Objectives**

1. Review the latest guidelines for antibiotics resistance and stewardship
2. Discuss current state of the art concepts in the pathogenesis of pneumonia
3. Discuss current understanding and guidelines for community acquired pneumonia
4. Discuss new guidelines for hospital acquired pneumonia
5. Discuss new guidelines for ventilator-associated pneumonia
6. Discuss the utility of new diagnostic tools for determining etiology of pneumonia
7. Discuss how prokaryotes and other biomarkers can be used in pneumonia diagnosis
8. Review new therapies for respiratory infections
9. Highlight new guidelines for antibiotics resistance and stewardship
10. Discuss recent influenza and pneumococcal vaccines

Inaugural Scientific and Clinical Symposium on Pneumonia
Friday, December 9, 2016

Register online, at cme@yale.edu

ONLINE REGISTRATION INSTRUCTIONS:
1. Click “Conference Schedule”
2. Scroll down and select “Inaugural Scientific and Clinical Symposium on Pneumonia”
3. Click the “REGISTER NOW” link to begin the process.

Please note: You will be required to login or create a profile to register.

OK, Please scan the image at right (QR Code) with your Smartphone or Tablet to be directed to the conference home page and proceed with step 3.

Registration Fees
Registration fee includes complimentary parking, continental breakfast, refreshments, breaks, and lunch:
- Physicians – $85
- Non-Yale Resident/Fellow/Student – $70
- Yale Resident/Fellow/Student/Instructor/Tuition – complimentary, registration required

Members of Yale CPIRT Center for Pulmonary Infection Research and Treatment
- Yale Resident/Fellow/Student – complimentary, registration required
- Non-Yale Resident/Fellow/Student
- Nurse/PA/Allied Health Professional – $75
- Physician – $125

Please note, there is no fee to submit an abstract. More information on inside panel.

ONLINE INSTRUCTIONS: Please see above Online Instructions to complete the registration process.

All cancellations must be received in writing (or via e-mail) at least one week prior to the start of the conference. If you are coming from the South (New York), take I-95 North and get off at Exit 41 (Marsh Hill Rd). At the end of the ramp, go right through the light. This is Frontage Road and the entrance ramp to I-95 Northbound. Stay in the right lane and bear right at the fork. Follow signs to Conference Center.

Coming from the North. If you are coming from the North (Hartford/New Haven/Madison, etc.), take I-95 South. Get off at Exit 41 (Marsh Hill Rd). At the light at the end of the exit ramp take a left onto Marsh Hill Road. At the next traffic light, take a left onto the Frontage Road (31 Northbound) entrance ramp. Follow this to the fork, stay to the left. Follow signs to Conference Center.

Coming from the West. Take the Merritt Parkway North to Exit 4 (Merritt Parkway). Go right onto Exit 4 ramp and continue to the ramp designated to New Haven (I-95 South). Get off at Exit 4 and continue with the highway. (Coming from the South) to reach West Campus. GPS Users: If your GPS has not been updated the current physical address may not pull up properly. If so, please enter 141 Frontage Road, Orange, CT to arrive at destination.

Parking Information
Complimentary parking is available on-site.

Accreditation Statement
Inaugural Scientific and Clinical Symposium on Pneumonia is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement
The Yale School of Medicine designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Support
The Yale School of Medicine, Department of Neurology is grateful to its supporters.

CONFERENCE MATERIALS
This informational panel is not a registration form.

The Yale School of Medicine, Department of Neurology, is grateful to its supporters.

Financial support of this activity will be acknowledged in all conference materials.

The following is a list of commercial interests, other than those that benefit the individual, that have financial relationships with the organizations providing educational content for this activity. The Center for Continuing Medical Education will ensure that a complete and thorough disclosure is made of all relevant financial relationships. All faculty participating as speakers in these programs are required to disclose any relevant financial relationships. They will be asked to disclose such information, and the information will be reviewed. The Center for Continuing Medical Education will determine and disclose whether the Speaker has a relevant financial relationship with a commercial entity. The Center for Continuing Medical Education is committed to ensuring that the content is reflective of evidence-based medicine and best practice. The Center for Continuing Medical Education will ensure that the content is independent of commercial influence. These relationships will be acknowledged in all conference materials.
