There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Medical Students
Residents and Fellows
Faculty Physicians
Allied Health Providers

NEEDS ASSESSMENT
Discuss the evidence supporting morbidity in schistosomiasis, policy regarding treatment of pregnant women, and new evidence to strengthen that policy. Include how we change policy and implement change in the global health setting.

LEARNING OBJECTIVES:
At the end of this activity, participants will be able to:
1. To understand morbidity caused by schistosomiasis and mechanisms mediating this
2. Identify strategies to reduce morbidity in human pregnancy
3. Understand results of two clinical trials to assess efficacy and safety of praziquantel in human pregnancy
4. How to get from evidence to implementation in global health setting

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Jennifer Friedman, MD, PhD: None
Pnina Weiss, MD, Grand Rounds Director: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
