

# Yale Diagnostic Radiology Grand Rounds

*Presented by*

Yale School of Medicine's, Department of Radiology and Biomedical Imaging

## **“The Future of Radiology: Thriving at the Epicenter of Health Care”**

### **Arun Krishnaraj, MD**

Associate Professor  
Vice Chair, Quality and Safety  
Director, Division of Body Imaging  
Fellowship Director, Body Imaging  
Department of Radiology and Medical Imaging,  
University of Virginia Health System  
Charlottesville, VA

**Thursday, May 28, 2020  
12:30pm**

**The Anlyan Center (TAC) Auditorium, N-107**

**Course Director: T. Rob Goodman, MBBCh, MBA, BMSc**

**Host: Mahan Mathur, MD**

*There is no corporate support for this activity*

This course will fulfill the licensure requirement set forth by the State of Connecticut

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### **TARGET AUDIENCE**

Physicians, Fellows, Residents and Medical Students

#### **NEEDS ASSESSMENT**

The organization and delivery of health care in the United States is haphazard at best. Costs for healthcare delivery in the US far out pace comparable industrialized nations yet health outcomes consistently fall well below peers. More recent efforts to curb costs and improve outcomes have focused on delivering greater value. While innovative, radiology is often seen as technology that increases costs but delivers questionable value. However, in an era of big data and trends toward greater consumerism in health care, radiology has an opportunity to better define its value and grows its influence in the greater health care landscape. My presentation will address how radiology, as a specialty, and radiologists, as a medical profession, can best position themselves to thrive in this new era.

#### **LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

1. Appreciate the forces altering the landscape of US healthcare
2. Understand the impact of disintermediation in Radiology
3. Facilitate value creation in an era of value-based reimbursement

#### **DESIGNATION STATEMENT**

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

#### **FACULTY DISCLOSURES**

Speaker: Arun Krishnaraj, MD - NONE

Course Director:

T. Rob Goodman, MBBCh, MBA, BMSc - NONE

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
