

*Yale School of Medicine  
Seminars in Human and Translational Immunology*

# *“Negative regulation of type II immunity”*

**Carla Rothlin, PhD**

**Associate Professor of Immunobiology, Yale School of Medicine**

May 24, 2016 at 4pm  
The Anlyan Center – TAC N203

Host: Dr. Martin Kriegel

*There is no corporate support for this activity. This activity is not supported by any educational grants  
This course will fulfill the licensure requirement set forth by the State of Connecticut*

**ACCREDITATION**

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**NEEDS ASSESSMENT**

The HTI program at Yale University School of Medicine is a FOCIS (Federation of Clinical Immunology Societies) Center of Excellence. The mission of the FCEs is to create an integrated community among immunologists in different departments and sections at individual medical schools, allowing for exchange of information and development of interdisciplinary collaborations

**LEARNING OBJECTIVES**

At the conclusion of this activity, participants will be able to:

- Understand an introduction to negative regulation of inflammation
- Understand the function of the immunoregulatory TAM RTKs and their ligands at the interface of the innate and adaptive immune response
- Understand the mechanism of negative regulation of type II immunity

**DESIGNATION STATEMENT**

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**FACULTY DISCLOSURES**

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
