CME credit for live event only.

There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE

Attending physicians, house staff/fellows, medical students, nurses, physician assistants.

NEEDS ASSESSMENT

In the setting of the worldwide COVID-19 pandemic and amidst ongoing outbreaks here in Connecticut, there is a need for pulmonary clinicians to be able to provide directly or otherwise make available to their patients reliable public health advice on how to prevent, contain, and/or mitigate acquisition and spread of coronavirus to and from household members and other close contacts. The speakers have documented this need qualitatively through repeated requests from individual clinicians and hospital committees for information on these topics, including workplace safety, contact and source tracing, and safety in schools and universities.

LEARNING OBJECTIVES

At the conclusion of this talk, individuals will:

1. Know how to find reliable up-to-date information on the public health response to COVID-19 in Connecticut and beyond

2. Summarize the course of the COVID-19 epidemic to date and the public health response
3. Describe different strategies for source and contact tracing for COVID-19

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

Richard Matthay, MD, Course Director – No conflicts of interest

Carrie Redlich, MD – No conflicts of interest

Luke Davis, MD – No conflicts of interest

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
