The Center Cannot Hold: My Journey Through Madness

Elyn R. Saks, JD, PhD

Orrin B. Evans Professor of Law, Psychology, and Psychiatry and the Behavioral Sciences, University of Southern California Gould School of Law; Adjunct Professor of Psychiatry, University of California, San Diego, School of Medicine

“Elyn Saks shows great courage in reliving a painful past and coming forward to tell this story. It’s rare for someone with schizophrenia to function in such a level, as she acknowledges, but her book convincingly and movingly demonstrates that ... it can happen.”
