Yale Pathology

Pathology Grand Rounds

Thursday, February 10th 12:30-1:30pm

Hosted by: Manju Prasad, MD

Lisa M. Rooper, MD

Assistant Professor of Pathology and Oncology,
Johns Hopkins University School of Medicine

*The Evolving Molecular Classification of
Sinonasal Tumors: How to Keep Your
Nose Clean*

Needs: The classification of sinonasal tumors has rapidly changed in recent years with description of new entities and identification of recurrent molecular alterations in known tumor types, making it challenging for pathologists who do not regularly encounter these tumors to keep up with the differential diagnoses, navigate the clinical relevance of various molecular findings, and predict the impact of future molecular changes.

Objectives: Recognize recently described sinonasal tumor types and their defining molecular alterations; Describe the clinical relevance of the emerging molecular classification of sinonasal tumors; Understand how molecular analysis is likely to further impact sinonasal pathology in the future.

Continuing Medical Education
Yale CME

There is No Corporate Support for These Activities. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Target Audience: Multiple Specialties, Pathology. Financial Disclosures: None of the faculty/planners for this educational activity have relevant financial relationship(s) to disclose with ineligible companies. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
