CME credit for live event only. There is no corporate support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending physicians, house staff/fellows, medical students, nurses, physician assistants.

NEEDS ASSESSMENT
Physician workforce diversity is important for several reasons including equity in terms of professional opportunities, improved patient outcomes, and greater creativity and innovation in medicine. Efforts to improve diversity especially within medical subspecialties often fall short of addressing greater structural barriers that create the shortage of physicians from URiM backgrounds.

LEARNING OBJECTIVES
At the conclusion of this talk, individuals will:
1. The audience will be able to identify barriers to accessing a medical education for students from backgrounds under-represented in medicine (URiM)
2. The audience will be able to identify processes of occupational sorting that occur during medical training in a racialized manner
3. The audience will be able to identify ways subspecialists can expand the pipeline of URiM medical trainees for a more diverse physician workforce

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Richard Matthay, MD, Course Director – None
Max Jordan Nguemeni Tiako, MS – None
It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
