

Global Health Emerging Scholars Application for 2026-2027 Fellowship Cycle

Research Proposal Instructions

Please submit a research proposal that includes the following sections. Proposals missing any of the sections will not be reviewed.

1. Title of proposed research project
2. Abstract
3. Description of proposed project that includes these sub-sections:
 - a. Background
 - b. Specific aims
 - c. Research methods
 - d. Significance of study
4. Reference list

Please use the following formatting guidelines:

- Document should be no longer than 1500 words (not including reference list)
- Single-spaced with 1-inch margins
- 11-point font Arial with no changes to character density
- Standard U.S. letter size (8.5x11 inches)
- Graphs, tables and figures may be included
- Cite your sources and include a reference list. Can use your preferred citation style. Number each reference and do not include more than 20.
- Save your research proposal as a single PDF file and upload it to your application in the Qualtrics platform
