

Yale SCHOOL OF PUBLIC HEALTH
Epidemiology of Microbial Diseases

EMD Seminar Series

Julio Croda, PhD, MD

**Associate Professor of Internal Medicine, School of Medicine,
Federal University of Mato Grosso do Sul, Brazil**

**Associate Professor of Epidemiology, Department of
Epidemiology of Microbial Diseases,
Yale School of Public Health**

**“Tuberculosis in Incarcerated Populations: Trends,
Drivers, Knowledge Gaps and Potential Solutions”**

In this seminar we will present the prison as an institutional amplifier of tuberculosis in Brazil and how we can propose effective interventions to control the disease in this population with an impact for the entire community.

12:00 PM Wednesday, December 2, 2020

Host: N. Grubaugh/R. Heimer/B. Weiss
