“Don’t Kill Granny: Providing Better Care to Older Adults”

Thursday, December 10, 2015 - 8:30am-Fitkin Amphitheatre

NEEDS ASSESSMENT:

The care of older adults with multi morbidity presents challenges to balancing risks and benefits of therapies. Physicians need to understand age-related changes that can impact the outcomes of older adults, know about ways to estimate prognosis for older adults with multi morbidity, and be aware of methods to maximize benefits and minimize adverse events from medications in older adults.

LEARNING OBJECTIVES:

At the conclusion of this activity, participants will be able to:

- **Describe age-related changes, which if not recognized, can impact the outcomes of older adults.
- **Describe two ways to estimate prognosis for an older adult with multi morbidity.
- **Describe methods to maximize benefit and minimize adverse events from medications in older adults.

DESIGNATION STATEMENT:

The Yale School of Medicine designates this educational activity for 1 AMA PRA Category 1 credit(s) Physicians should claim only credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

ACCREDITATION:

The Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians accredits the Yale School of Medicine.

THIS CME ACTIVITY DOES NOT RECEIVE ANY COMMERCIAL SUPPORT
This course will fulfill the licensure requirement set forth by the State of Connecticut
