

# FREE Patient Webinar

For those with small cell lung cancer, their caregivers, and their families

## Small Cell Lung Cancer

### Know What Your Doctors Know

### Two chances to attend!

**Monday,  
January 24, 2022**  
11:15 AM – 12:30 PM EST

**Wednesday,  
January 26, 2022**  
3:15 – 4:30 PM EST

This webinar is supported through the NCCN Foundation® and by a contribution from our corporate supporter: AstraZeneca.

Join experts as they discuss the best care for small cell lung cancer.  
**Attendees will learn:**

- Cancer staging using two staging systems
- Current options for initial treatment and relapse
- Supportive care to improve quality of life
- New advancements in treatment
- Patient and provider perspectives of clinical trials
- How to find good information on small cell lung cancer

Please note that this is a not a CE-certified activity.
