SEMINARS IN HUMAN AND TRANSLATIONAL IMMUNOLOGY

Presented by
Yale School of Medicine, Human and Translational Immunology Program

“TAMpering with memories”

Sourav Ghosh, PhD
Associate Professor of Neurology and Pharmacology, Yale School of Medicine

Date: December 4, 2018 at 4pm
Location: The Anlyan Center – TAC N203

Seminar Host: Dr. Paula Kavathas
Course Directors: Dr. Stephanie Eisenbarth and Dr. Carrie Lucas

There is no corporate support for this activity. This activity is not supported by any educational grants. This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
The target audience for the HTI Seminar Series comprises attending faculty, clinical and basic scientists, community physicians, nurses, residents, fellows, and students.

NEEDS ASSESSMENT
The HTI Seminar Series seeks to review the scientific basis for choice of immunologically related therapeutic targets in various diseases, including organ-specific and systemic autoimmunity, allergy, transplant rejection, cancer, and infectious diseases. The goal is to help understand the rationale and mechanism underlying the major pharmacologic approaches for interventional immunology in current practice and review the data on the different therapeutic approaches in different specialties.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
1. Discuss current approaches of disease modifying therapies in Alzheimer’s disease
2. Discuss novel approaches to understand the cellular basis of neurodegenerative diseases
3. Discuss the functional role of MERTK in astrocytes

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Sourav Ghosh: Received research grant from Mirati Therapeutics and honorarium from AbbVie
Stephanie Eisenbarth: None
Carrie Lucas: None

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
