Chair's Message

It's remarkable that summertime will soon be coming to a close, as we begin a new academic year and look forward to

the many festivities that fall brings. Also remarkable is the wonderful work underway and accomplishments achieved within our YCSC community, from plans for a multitude of engaging grand rounds sessions beginning next month, to community service in the greater New Haven area with summer fun baskets and back to school backpacks for area families and children, to the phenomenal clinical work, research, training, and legislative advocacy conducted by our faculty, staff, and trainees.

I am so pleased to celebrate our newest faculty members, some of whom are pictured below, and I am eager to see what the coming year brings for our community, within the Center and beyond. I hope you will enjoy learning more about the latest YCSC news in this month's newsletter. Please feel free to share it with friends and colleagues. Thank you for your interest, support, and commitment to children and families.

Linda Mayes, MD

Arnold Gesell Professor of Child Psychiatry, Pediatrics, and Psychology;

Chair, Yale Child Study Center

Giving to the YCSC

The groundbreaking work of the YCSC would not be possible without the gifts and grants that support our research, clinical care, and educational missions. YCSC donors are essential in helping us to serve children and families in need of care. For more information about planned giving, or how to [make a gift](#), please contact Zsuzsanna Somogyi at 203-436-8559 or at zsuzsanna.somogyi@yale.edu. Thank you!
