

Digestive Diseases Research Seminar Presented by Yale School of Medicine, Department of Internal Medicine, and Section of Digestive Diseases

Insulin and cancer metabolism: Implications for hepatocellular carcinoma

Rachel Perry, PhD, BS

Assistant Professor of Medicine (Endocrinology) and of Cellular & Molecular Physiology, Yale School of Medicine

Tuesday, April 13, 2021 5:00 - 6:00 pm

https://zoom.us/j/99750846269?pwd=VzFqNkg5K3VWVWFPNVpYczBxSUFvQT09

Host: Yasuko Iwakiri, PhD

To record your attendance to this activity, text the Activity Code (**20552**) for your RSS activity to **203-442-9435**. You will receive a message back that verifies your activity attendance has been recorded for CME credit.

There is no corporate support for this activity. Accreditation: The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Target Audience: YSM faculty, fellows, nurses, residents, medical students, staff, and other health care providers. Designation Statement: The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)TM. Physicians should only claim the credit commensurate with the extent of their participation in the activity. Needs assessment: Understanding mechanisms by which obesity may promote hepatocellular cancer appearance and progression; Describing methods that can be used in mice and humans to assess hepatocellular cancer metabolism; Suggesting therapeutic approaches to intervene in insulin-driven hepatocellular cancer. Objectives: Be able to describe mechanisms by which obesity may promote hepatocellular cancer appearance and progression; Be able to describe methods that can be used in mice and humans to assess hepatocellular cancer metabolism; Explain putative metabolism-dependent therapeutic approaches to slow hepatocellular cancer growth. Faculty Disclosures: Y Iwakiri – None; R Perry – None. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs. This course will fulfill the licensure requirement set forth by the State of Connecticut.
