

May Seminar Notice

Presented by Yale School of Medicine's
Department of Psychiatry Grand Rounds

“Sex Influences on Brain and Memory: An Issue whose time has come”

Larry Cahill, Ph.D.

Professor of Neurobiology and Behavior
School of Biological Sciences
University of California, Irvine

*Friday, May 8, 2015, 10:15 a.m.
CMHC Auditorium, 34 Park Street*

Host: Carolyn Mazure, Ph.D. (203)764-6600

This course will fulfill the licensure requirement set forth by the State of Connecticut
This activity has no corporate support.

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

NEEDS ASSESSMENT

Historically, neuroscience paid little if any attention to sex influences outside a limited area of reproductive functions. But all that is changing, and ever rapidly, with a flurry of discoveries the past 10 years in particular about sex influences on brain function down to the molecular level.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be presented:

- Understand why the male dominance in research subjects evolved
- Understand how the male dominance in research undermines the health of men as well as women
- Understand how this situation, with roots hundreds of years old, is finally changing

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
