

Yale SCHOOL OF PUBLIC HEALTH

Center on Climate Change and Health

Summer 2020 Internship Colloquium:

Climate Change Action, Environmental Justice, and Disaster Preparedness

**Yihui Chen,¹ Nicholas Elton,¹ Emily McInerney,²
and Zoe Novic¹**

¹Yale School of Public Health

²Yale Jackson Institute for Global Affairs & School of the Environment

Join the Yale Center on Climate Change and Health as we learn about our students' Summer 2020 internships. You will hear from:

- **Yihui Chen** on her work in regional corporate engagement strategies to drive corporate climate action in China, Latin America, Southeast Asia and Africa through Science Based Targets Network.
- **Nicholas Elton** on the planning process of climate change adaptation at the state and local levels with the Connecticut Department of Public Health.
- **Emily McInerney** and her work on researching and advocating for solutions to extreme heat for WE ACT for Environmental Justice's Heat, Health, and Equity Initiative.
- **Zoe Novic** on reducing morbidity and mortality for people with non-communicable diseases after natural disasters, specifically in Puerto Rico and the U.S. Virgin Islands, through the Equity Research and Innovation Center (ERIC) at the Yale School of Medicine.

Online via Zoom
