Yale eREG Notice Regarding IRES IRB Integration with Advarra eReg

Dear eReg User,

You are receiving this notice because you currently have an active user account as a Regulatory Coordinator, Regulatory Manager, Multi-Site user or Principal Investigator in Yale's Advarra eRegulatory Management System (eReg).

On Thursday, April 11, 2024 Yale's IRES IRB system will be integrated with eReg. This integration will allow designated finalized documents to flow from IRES IRB into to a protocol's Document Inbox in eReg, for those studies utilizing the Yale IRB as their IRB of record. Both new and existing protocols in eReg can leverage this new functionality.

Below you will find detailed information on how to ensure your eReg protocol is set up to receive finalized documents from IRES IRB and how you can access help from eReg Support.

Where can I find training materials and support?

1) We have put together a detailed guidance document to assist study teams with this integration. The document is linked here: [eReg Guidance - IRES IRB Integration](#).

2) **eReg Office Hours** - We are excited to announce weekly office hours to assist our eReg users with this IRES IRB-eReg integration implementation. Below is a listing of our current eReg office hours along with the Zoom link you will use to log in. Please feel free to register for any of the available times using the 'Register Here' link below (to receive an Outlook invitation) or just drop in anytime during the hour. Our eReg Support team will be standing by during these times to help you with any eReg-related questions (providing demos, helping with set-up, etc.).

- Thursday, April 11, 2024 [11-12pm ET]
- Thursday, April 18, 2024 [12-1pm ET]
- Thursday, April 25, 2024 [11-12pm ET]
- Tuesday, April 30, 2024 [12-1pm ET]
