There is no corporate or grant support for this activity. This course will fulfill the licensure requirement set forth by the State of Connecticut.

ACCREDITATION
The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE
Attending physicians, researchers, house staff, fellows, residents, medical students, nurses.

NEEDS ASSESSMENT
The talk will discuss Magee Equations, which are multi-variable models that were developed using data from routine pathology reports. Magee Equations provide a fair estimate of the 21-gene recurrence score used for breast cancer prognosis. Magee Equation 3 has a role in the neoadjuvant setting. The presenter will show studies, which demonstrate how these equations can be used clinically in a safe and effective manner.

LEARNING OBJECTIVES
At the conclusion of this activity, participants will be able to:
• Understand important prognostic/predictive markers of breast cancer.
• List commonly used multi-gene assays for predictive use in breast cancer.
• Utilize information in routine pathology report to consult with breast cancer care provider.

DESIGNATION STATEMENT
The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES
Gopal Pallavi, MD - NONE
It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationships they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

YALE SCHOOL OF MEDICINE PATHOLOGY

GRAND ROUNDS AND DIAGNOSTIC SLIDE SEMINAR
Host: Malini Harigopal, MD

Rohit Bhargava, MD
Professor of Pathology
University of Pittsburgh School of Medicine
Chief of Pathology, Department of Pathology
Magee-Womens Hospital of UPMC

DIAGNOSTIC SLIDE SEMINAR: 8:30 AM
“Challenging Breast Core Biopsies”

GRAND ROUNDS: 12:30 PM
“Magee Equations and Magee Decision Algorithm: Safe, Effective, and Underutilized”

Thursday, November 5, 2020
Zoom Meetings ID and Password: emailed separately
