

January Seminar Notice
State Chest Conference

Presented by
Yale University School of Medicine's
Section of Pulmonary, Critical Care & Sleep Medicine

Neuroprognostication After Cardiac Arrest

David M. Greer, M.D., MA

Dr. Harry M. Zimmerman and Dr. Nicholas and Viola Spinelli Professor of Neurology
Professor of Neurosurgery; Vice Chairman, Department of Neurology
Director, Stroke Service; Director of Medical Studies
Yale University School of Medicine

Wednesday, January 6, 2016, 3-4 pm
Fitkin Amphitheater

Host: **Shyoko Honiden, M.D.**

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

NEEDS ASSESSMENT

A knowledge gap exists for physicians caring for post-cardiac arrest patients in terms of their neurological prognosis, which leads to misinformation and misprognostication. This lecture helps to demystify the data in regard to neuroprognostication, and provides insights to future directions of study and care.

LEARNING OBJECTIVES

At the conclusion of this activity, participants will learn to:

1. Understand limitations of the data for neuroprognostication to date for cardiac arrest.
2. Understand the impact of therapeutic hypothermia on the ability to provide an accurate prognosis after cardiac arrest.
3. Understand the future directions that are being taken in this field to improve the care of post-cardiac arrest patients and providing accurate prognoses.

FACULTY DISCLOSURES

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
