

Smilow Head and Neck Cancers Program Welcomes Dr. Heather Osborn

Heather Osborn, MD, FRCS(C)

Assistant Professor of Surgery (Otolaryngology)

Appointments:

203-200-4622

Locations: New Haven and Trumbull, CT

Dr. Heather Osborn is an Assistant Professor of Surgery (Otolaryngology) and cares for patients with head and neck cancers at Smilow Cancer Hospital in New Haven and at the Smilow Cancer Hospital Care Center in Trumbull, CT.

Dr. Osborn received her medical degree from Western University in Ontario and completed a fellowship in head and neck surgical oncology and microvascular reconstruction at Harvard Medical School. She completed an Otolaryngology residency at the University of Toronto. Dr. Osborn is an active member in the American Academy of Otolaryngology – Head and Neck Surgery, American College of Surgeons, and the American Head and Neck Society.

At the Smilow Cancer Hospital Care Center in Trumbull, Dr. Osborn works collaboratively with Drs. Harold Tara and Yi An in a Head & Neck Cancers multidisciplinary clinic to provide patients with a carefully determined treatment plan focused on providing the most comprehensive, effective care possible.

Dr. Osborn specializes in minimally invasive approaches to head and neck cancers and complex reconstruction after cancer surgery, including microvascular reconstruction.
