Greenwich, CT 06830

Dr. Francesca Montanari has joined the Smilow Cancer Hospital Care Center at Greenwich as an Assistant Professor of Clinical Medicine (Hematology) and cares for patients with hematologic malignancies. Dr. Montanari joined Yale Cancer Center from NewYork-Presbyterian/Columbia University Irving Medical Center, College of Physicians and Surgeons where she was Assistant Professor of Medicine & Experimental Therapeutics in the Department of Medicine,

Division of Experimental Therapeutics.

Dr. Montanari received her medical degree from the University of Pavia in Italy where she graduated magna cum laude and completed both her residency and fellowship at New York University School of Medicine, where she was awarded the Fellow of the Year teaching award. She currently has several research studies focused on relapsed/refractory hematologic and lymphoid malignancies.
