The Program for Biomedical Ethics at Yale School of Medicine provides multidisciplinary leadership regarding the ethical and social aspects of health care and medical research. Our interdisciplinary team draws upon philosophy, law and social and behavioral sciences to provide expert biomedical ethics consultations for families, researchers, physicians and other health care providers. Additionally, the Program for Biomedical Ethics develops and presents various ethics-related educational programs throughout the academic year for medical, nursing and physician assistant students, the community, Yale faculty as well as local, regional and national health care professionals.

Texting code for today’s session: 36141

Faculty:

Joel Michael Reynolds, PhD  
Assistant Professor of Philosophy & Disability Studies, Georgetown University  
Senior Research Scholar, Kennedy Institute of Ethics  
Senior Advisor, The Hastings Center  
Faculty Scholar, The Greenwall Foundation  
Editor, The Journal of Philosophy of Disability  
Series Editor, Oxford Studies in Disability, Ethics, and Society

Mark R. Mercurio, MD, MA (Moderator)  
Professor of Pediatrics (Neonatology), Yale School of Medicine  
Director, Program for Biomedical Ethics, Yale University School of Medicine

## Program Objective(s):
1. Comprehend contemporary disability theory
2. Understand what ethically relevant factors practitioners ought to consider when treating disabled patients and/or carrying out medical research with them
3. Explain biases that are used to justify the refusal of clinically appropriate care or that otherwise negatively impact disabled patient populations

## Target Audience:
- Cardiovascular Disease
- Critical Care Medicine
- Dermatology
- Diagnostic Radiology
- Emergency Medicine
- Endocrinology
- Family Practice
- Gastroenterology
- General Practice
- General Surgery
- Hospitalist
- Internal Medicine
- Neurology
- Neurosurgery
- Nutrition
- Ob/Gyn
- Oncology
- Ophthalmology
- Orthopedic Surgery
- Pediatrics
- Psychiatry
- Radiology
- Rheumatology
- Urology
- Geriatric Medicine
- Multiple Specialties
- Nurse Practitioner
- Pharmacist
- Pathology
- Physical Therapy
- Physician Assistant
- Psychology
- Public Health
- Social Work
- Otolaryngology
- Infectious Diseases
- Nephrology
- Orthopedic Surgery
- Transplant
- Digestive Diseases
- Sleep Medicine
- Interventional Radiology
- Surgery
- Vascular Medicine
- Pulmonology
- Other
- Hematology
- Primary Care
- Anesthesiology
- Physical Medicine & Rehabilitation

## Accreditation Statement:
Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## Designation Statement:
Yale School of Medicine designates this Live Activity for a maximum of 1.50 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Mitigation of Financial Relationships Statement:
Yale CME adheres to the ACCME’s Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CE activity, including faculty, planners, reviewers or others are required to disclose all relevant financial relationships with ineligible entities (commercial interests). All relevant conflicts of interest have been mitigated prior to the commencement of the activity.
