

Urology Grand Rounds

Presented by

Yale School of Medicine, Department of Urology

“Multimodal Analgesia in the Age of ERAS”

Richard D. Urman, MD, MBA, CPE

Past President, Massachusetts Society of Anesthesiologists

Chief of Anesthesia Service, Brigham and Women's Health Care Center (Chestnut Hill)

Director (Anesthesia), Center for Perioperative Research

Medical Director, Sedation for Interventional Medicine

Associate Professor of Anesthesia, Harvard Medical School

Date: Friday, January 17, 2020 7:30-8:30am

Location: Sterling Hall of Medicine

Beaumont Room (RM# SHML 221A)

Course Director/Host: Daniel Kellner, MD

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

1. Review different multimodal analgesia strategies
2. Identify barriers to improved postoperative analgesia
3. Learn about ERAS and existing guidelines and underlying evidence

DISCLOSURES

Richard Urman: Investigator, Merck and Medtronic
Ad Board, Takeda pharmaceuticals

Daniel Kellner, MD, Course Director: None

ACCREDITATION

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

NEEDS ASSESSMENT

There is a lack of uniform use of multimodal analgesia and many patients are still receiving a great deal of opioids when it can often be avoided. There is a need for standardized approach to pain management that also takes procedure, and patient characteristics into consideration. There are also non-compliance issues.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity. It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

TARGET AUDIENCE

The target audience are Urology attendings, residents, medical students and other healthcare providers
