CONTINUING MEDICAL EDUCATION

Presented by
Yale School of Medicine, Department of Internal Medicine,
Section of Digestive Diseases

The 34th Annual Gerald Klatskin Lecture

Mario Strazzabosco, MD, PhD

Professor of Medicine, Clinical Program Leader, Liver Cancer Program
Deputy Director, Yale Liver Center

Date: January 16, 2020

Time: 8:30-9:30am

Location: Fitkin Ampitheatre

“Diseases of the Biliary Tree: 2 Million Miles and Still Searching”

There is no corporate support for this activity

This course will fulfill the licensure requirement set forth by the State of Connecticut

ACCREDITATION:

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TARGET AUDIENCE:

Attending physicians, house staff, fellows, medical students, PA's

NEEDS ASSESSMENT:

Diseases of the biliary tree (also called cholangiopathies) represent a major cause of chronic progressive liver disease, resulting in significant morbidity and mortality in both adult and pediatric patients. Clinicians need to know about progress in understanding the pathogenesis of cholangiopathies, and have knowledge of potential therapeutic strategies.

LEARNING OBJECTIVES:

1. Diseases of the biliary tree, also called cholangiopathies, represent an unmet need in hepatology. Cholangiopathies remain a major indication for liver transplantation, as their pathophysiology and treatment are still unclear
2. Starting with clinical encounters with patients with rare cholangiopathies, and continuing through liver transplants, signaling pathways, molecular targets and care delivery, we will engage on a 2-million-mile journey between two continents, scouting the “translational” land

3. We will learn new approaches to disease modeling that will be the “Rosetta Stone” to decipher bile duct secrets

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURES:

Course Director: Vincent Quagliarello, MD - None
Speaker: Mario Strazzabosco, MD, PhD-Bayer, Consulting fee;
Advisory Board
Esiai/Merk: Consulting fee; Advisory Board
Engtix: Consulting fee: Consultant

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.
